DIRECTIONS: From Boston (off of Massachusetts Ave.), take Mass. Ave. towards Cambridge. Go over the Mass. Ave. bridge and continue straight on Mass. Ave. 120 Mass. Ave. is on your left side, just before Vassar St. To reach the Dupont gym, you must enter through the Johnson Athletics Center (<http://whereis.mit.edu/?mapterms=W34>). Tell the desk worker that you are here for the table tennis tournament, and ask for directions to the Dupont gym, which is connected to the Johnson Athletics Center. From Harvard/Porter Sq. area, take Mass. Ave. towards Boston. Continue straight on Mass. Ave.

120 Mass. Ave. is on your right side, just after Vassar St. From here, follow the "From Boston" directions to get into the building. MIT parking information can be found at http://web.mit.edu/facilities/transportation/parking/visitors/public_parking.html

FORMAT AND SCHEDULE: All events are Round Robin to Single Elimination, and the number of entries for each event will be capped at 28 to prevent delays. Ideally, RR groups will have 3 to 5 players, and the top player will advance to the SE. However, the tournament committee reserves the right to make changes in the format depending on time constraints. All matches are best-of-five 11-point games, except for the final match in the Open event, which is best-of-seven 11-point. Please check in at the registration desk at least 15 minutes prior to the start time of your first event. You only need to check in once, even if you have multiple events starting at different

times. All events will finish in the evening. All decisions of the tournament committee are final.

RATINGS: For the purposes of event eligibility and seeding, we will use your Ratings Central rating if you have one. Failing that, we will use your USATT rating, if you have one. Failing that, you are “unrated”. All matches will be rated by Stiga World Ratings powered by Ratings Central. Ratings will be available about a week after the tournament at www.ratingscentral.com.

UNRATED PLAYERS: If you do not have a USATT rating or a Ratings Central rating, then you are “unrated”. The tournament is designed to accommodate players of all levels; unrated players are encouraged to enter. Unfortunately, unrated players will not advance to the single-elimination bracket even if you win your group in the Under 1200 through Under 2100 singles. You will advance, if you win, in the Open, Unrated, Under 2800 Doubles, and Open Doubles events. If you are playing with a rated doubles partner, your doubles team is considered unrated. You do not have to enter the Unrated event, but you must enter at least one single event other than the Unrated event. We suggest you enter more than one singles event, otherwise your resulting rating is likely to be less accurate. If you have no idea what your level is, we suggest you enter the Unrated Singles and Under 1200 events. The purpose of these rules is to make the tournament fair to rated players, while providing the opportunity for unrated players to play rated players. After you play in your first tournament you will become rated and be able to advance in any division that you play in!
